Dear Mr. Weisberg:

A copy of your April 12th letter to the Archivist was not enclosed with the letter you wrote to me on April 12.

Our files reveal that all of the information we developed on Ferrie was contained in two reports, Secret Service Control Numbers 449 and 620, and that these reports were furnished to Mr. Rankin, the General Counsel of the Warren Commission, with our transmittal of January 8, 1964.

Very truly yours,

Thomas J. Kelley
Assistant Director
Protective Intelligence
